## MODULE SEQUENCE

Whilst there are no mandatory requirements relating to the order in which Learners complete the modules, it is recommended that Modules 5 and 12 are completed prior to Modules 16 and 19.

## SMALL GROUP COURSES

The programme of Modular Courses will be supplemented by additional small group sessions if there is sufficient demand from Learners who are unable to attend one of the programmed courses. These small group sessions will be arranged at locations around the County dependent upon the applicants.

Learners who are unable to attend one of the programmed courses should notify their Local Training Manager, also providing details of days/dates when they are not available. If there is sufficient interest a small group session will be arranged as soon as possible.

## MODULE 16 (NIGHTS AWAY)

Applicants for the Module 16 (Nights Away) courses should note that attendance on the course does **NOT** lead automatically to the issue of a Nights Away Permit. These are administered by the Nights Away Advisers in each District, from whom further details may be obtained.

## VALIDATION SESSIONS

We are aware it is often difficult for Learners and Training Advisers to arrange validation sessions. To assist Learners to validate their learning “Drop In” validation sessions will be arranged during the year at local venues. At one of these sessions experienced Training Advisers will be on hand to assess learning. Learners will need to provide the necessary evidence to enable the Training Adviser to validate the learning. For details of the next session in your area, please contact your Local Training Manager.

## COURSE APPLICATION CLOSING DATES

***The closing date for applications for modular courses is normally three weeks prior to the date of the course. HOWEVER, PLEASE NOTE THAT THE CLOSING DATE FOR APPLICATIONS FOR THE MODULAR WEEKENDS HELD AT BLACKWELL COURT WILL BE TWELVE WEEKS PRIOR TO THE DATE OF THE COURSE. This is to assist Blackwell Court and to avoid the risk of substantial cancellation charges.***
